

INFORMATION REGARDING YOUR DENTAL PLAN

We have concluded a great two-year contract of dental coverage with Washington Dental Service. During that time we had increased benefits and the same rates for the two years. Beginning 1/1/2010 we are having a small rate increase, however, we will once again have another two year rate guarantee, until 12/31/2011. This is a good situation to have this guarantee for two years.

Remember if you go to a Delta Dental PPO Dentist you will have an increase in benefits for Class II services. Your dental plan continues to pay benefits regardless of the state in which you receive services. All states have participating PPO dentists.

Independent studies has proven that maintaining good oral health contributes to good health of the entire body and that those that have a dental plan are much more inclined to go to the dentist. Get those semi annual cleanings and exams. They are important.

Thank you for your continued participation in your dental plan that was developed specifically for you, the retiree from city or county employment.

The new monthly dental plan rates effective 1/1/2010 are as follows:

Retiree:	\$ 65.00
Retiree + spouse:	\$124.00
Retiree + child(ren):	\$113.00
Retiree + family:	\$172.00

Send your completed enrollment form, which must be obtained from SCERS, with two months payment to the following address. Coverage will become effective the first of the month following date of receipt. Make your check payable to **Independent Billing Service** and mail to:
